PDF) milestones.pdf: Presentation of the milestones (programs developed, topology fragment discovered)

and the associated date/time. For each program developed, provide the finish date/time and the responsible

team member(s). For each topology fragment discovered, show the screenshots of the program output,

draw the diagram of the topology fragment, and provide the name and Howard ID of the team member making

the discovery. Each topology fragment can only be attributed to one team member

Programs Developed

       traceroute.py 10/24 Morgan Thornton

       vizualize.py 10/24 Morgan Thornton

       new script.py 10/24 Miles Davies

       combine.py 10/25 Miles Davies

Topology Fragment discovered

       Burr Gymnasium 10/21 Morgan Thornton @03004063

       Founders Library 10/24 Morgan Thornton @03004063

       Thirkield Hall 10/24   Morgan Thornton @03004063

       College of Engineering 10/24   Morgan Thornton @03004063

       Public 10/17 Morgan Thornton @03004063

       Health Sciences Library 10/24 Brian Paul @02965840

       Undergraduate Library 10/24 Brian Paul @02965840

       Douglass Hall 10/24 Brian Paul @02965840

       Academic Support Building B 10/24 Brian Paul @02965840

       Chemistry Building 10/24 Aashish Adhikari @02986124

       Bannekar Public Area 10/25 Aashish Adhikari @02986124
